## Description

Vandal resistant drinking fountain in stainless steel 18/10, for wall mounting. With closed shroud for concealed in- and outlet. Supplied with integrated waste, water trap water bubbler.

## Installation

Fasten the top and bottom bracket to the wall according to the enclosed drill template. Fix the bubbler and connect to water. Connect the water trap to the outlet in the wall with a 32mm push fit tube (Not supplied). Fix the drinking fountain onto the top fixing bracket and lock it with the 2 headless screws to the bottom fixing to secure the fountain to the wall.
