Description

ICON electrical, touch free soap dispenser in stainless steel.

Delivered with a 0,9 litre soap container for refill. Run by 4 x 1,5 V AA batteries.

Suitable for alcogel / hand sanitizer gel.

Installation

Check the following before installation:
There must be sufficient space above the dispenser for inserting the key and to open up the cover with the key. In addition, there must be at least 200mm clearance to the counter top.

Above stainless steel wash basin, the minimum distance is 300mm.
