

Accessory CB-FR

Art. no. CB-FR-OAK
GTIN 7393069024968

Description

Cutting board in oak for Frame, Omnia, Qube and Baltic 500TH / 400TH.

Made of recyclable material that would otherwise have been wasted. Take good care of your chopping board and oil it regularly so it will last for many years to come. Quality for you and for the environment!

Our solid wood products are all made of wood whose natural colors and shades have been preserved. All products are designed for long life in both design and durability.

Overall dimension in mm 394 x 275 x 23
