

Smart EWH80

Art. no. EWH80VE-D
GTIN 8421152149249

Smart EWH80

Overall dimension in mm 450 X 450 X 791
Volume in L 80

Description

Smart Control water heater with temperature LED indicator and 80L capacity:

- Smart series: Habits-based adapting system
- Vertical installation
- Capacity: 80 litres
- Average number of users: 2-4
- Tank ultra-resistant protective polish
- Enamelled heating element
- Temperature regulation 30° - 75° C
- Max input pressure: 0.75 Mpa
- Over-pressure protection
- Over-heating protection
- Humidity protection
- Dry-heating protection
- Power rate: 1500 W
- Isolation thickness: 20 mm

Water heater with SmartControl, incorporate learning cycles based on consumption and provides heating patterns related to the user's consumption routines. In addition to being ready when you need it, they reduce energy consumption.

Our water heaters are made of high-quality materials with high-resistance and durability tanks. We fully trust our products that's why the tanks have up to 5 years warranty.

Tanks are made of three enamel layers, with stainless steel resistance covered with a special sapphire polish for extra durability. The dual protection inside keeps it from corrosion and rusting for a longer lifetime.

Our electric water heaters pass the protection exam
